REGISTRATION - WINTER COMPETITION 2021

Only use 'Don't have a Login ID' if you are a **new** player - do **not** use this because you have forgotten your Login ID as this will end up potentially creating another Player ID number which then creates huge headaches when we form teams and select Player ID for everyone - if there are multiple ID we have to open them all individually to check which one is current which is a huge waste of time.

If you have forgotten your login details select 'Forgotten Login details', scroll down for more details.

If you are wanting to register another sibling you use your login ID for yourself/other sibling and then you get an option to add another player. **It is one login per family not per player.**

With correct login ID and password you will then be able to choose which child you want to register.

Then you can select correct program.

You can only select a program that your child is eligible for ie. only 2013 babies can register for SET, only 2012 babies for GO, and 2011 babies for 10 yr old etc.

Age group you are registering is age your child turns in 2021.

MyNetball will show any results and give you option to reset password.

The screenshot shows a web form with a 'Date of Birth' input field and a 'Find' button. Below this is a 'RESULTS' section with a table. The table has three columns: 'Login ID', 'Club/Assoc', and 'Actions'. The first row shows a login ID 'c****@dix-family.net', a club 'Manly-Warringah Netball Association', and actions 'Account Exists', 'Reset Password', and 'Contact Org'. The second row shows a login ID 'c****@dix-family.net', a club 'Pittwater Peninsula Netball Club', and no actions. The 'Reset Password' button is circled in blue.

Login ID	Club/Assoc	Actions
c****@dix-family.net	Manly-Warringah Netball Association	Account Exists Reset Password Contact Org
c****@dix-family.net	Pittwater Peninsula Netball Club	

If you not have access to the email address listed it will not work and you will need to email registrar@peninsulanetball.org.au which a current email address and I will organise updating it with MyNetball (I can only do by phoning NSW during business hours) and then you will be able to continue and reset password using new email address.

If you have other issues please email me registrar@peninsulanetball.org.au and I will try and respond as fast as possible but please be mindful registration month is extremely busy!

Don't forget you will need to complete registrations by the end of the month and prior to grading. We can not accept players at grading who have not registered and will not have time at grading to help with registration issues, so if there is a problem please speak up sooner rather than later.

Remember the most common issue with registrations is not remembering Login ID - it is usually your email address.

If you can't remember try searching your inbox for a message from rvmailbounce@resultsvault.com which you would have received when you first registered which will contain password.

Good luck and looking forward to a bumper year of registrations.
Thanks.
